Dear Moya,

Yeah - it's summertime!

I'm really enjoying the sunshine and long days. I keep thinking I can get more done when the days are longer! But that doesn't seem to be working.

I'm missing the Midwest Weavers Conference this year because of a prior commitment that weekend (I'll be at Midwest Fiber & Folk)- hope y'all have a good time.

THAT WRIST THING

This fun bracelet cuff kit can be woven on one of our Hokett looms as well as on a rigid heddle or floor loom.

Everything you need to make one for yourself is included. Colors vary in each kit - so you might want to get more than one!

Created for the Weavers Loft by MOYA JONES !!!

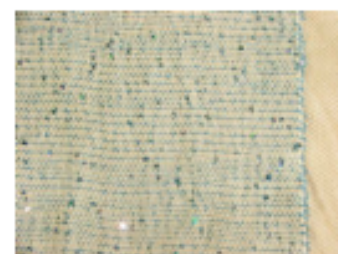

HIP TO BE SQUARE

This kit is to make placemats (set of 4-6) on your rigid heddle loom - but will also work on any 2 or 4 harness loom. It's so quick and easy you'll want several to make up gifts.

BAMBOO COTTON FINGERING YARN

If you haven't tried this blend yet, it feels like butter! Really soft.

Knitters: Size #2-#4
Weavers: Sett at 12-18
