**Dear Moya,**

Hope you included time for your fiber passions in your list of resolutions for this year! I've included a few things in this newsletter that might pique your interest.

### **CONE/YARN HOLDER**

This is a great new tool I've found that weavers, knitters, or crocheters can use. This tool will let you unwind off a cone (or ball of yarn) without all the twist. Everyone that's seen these wants one! Plus they're made from an assortment of exotic woods.

### **Yarn: 6/2 Bamboo.....it's BACK!**

I finally found more of this wonderful yarn to dye for you. So, if you've been waiting and need one of our colors, just let me know.

Yarn Details: 100% Rayon of Bamboo

1260 yards per 8 ounce skein.

Weavers sett: 15 - 18 epi

Knitters: Size #2 - #4 US Needles
