## Dear Moya,

Personally, I really don't mind the heat - I'll take this over the icy cold winter anytime! - Hope you're enjoying your summer too!

## DYE HAPPY!

This is one of the easy dye kits I just got in. How easy? If you can tear or cut up tissue paper - you can do this! The kit contains 4

different pieces of Dye-Lishus cotton cloth in different patterns plus 10 sheets of bleeding tissue paper. Wet the cloth, put the tissue paper on it and let it sit.....and that's it!

The sample shown here was done by randomly placing bits of the torn tissue paper on the cloth.

There are also some dye kits for the Dye-Lishus yarns.

## ODDLOT YARNS!

I have some great bargains in some oddlot yarns. Oddlot yarns are those that I only have small amounts and cannot order more. So get them while they're available.

As always - thanks for your continued support!

Sincerely,

Barb Gallagher
