Dear Moya,

Fall is in the air here today -
Hope you have time to get out and enjoy the weather.

ORGANIC COTTON SPIRAL

This has been a wonderful yarn to weave with
and has made some lovely towels.

It comes only in bleached white.

Weavers: sett at 12 epi

Knitters: sport weight

This yarn regularly sells for \$20 / lb, but the
price is reduced to \$15/ lb to get it into your
hands!

RIVETING

Made of 100% recycled blue jeans!! Riveting is
more comfortable than your favorite pair of
jeans. To top it off, Riveting is 80% post
consumer!

Another 'good for the environment' yarn!

Weavers: sett @ 10-12

Knitters: US #4; sport weight

As always - thank you for your continued support!

Sincerely,

Barb Gallagher
