Dear Moya,

Winter appears to be heavy upon us.....hope you're staying warm and busy with your fibery projects. I've been busy dyeing !

Back by popular demand!

Scarf warps in choice of two (currently) fibers:
Merino/bamboo blend or an organic cotton
Coming soon is a textured rayon.

Warps are long enough to make 2 scarves.
Wefts can be purchased separately

Hand dyed colors - sunset is shown.

We are now hand painting 4oz skeins of 100% superwash merino in a light worsted weight. 280 yds/ 4 oz skein.
